Course Details

Mode: **Full time** | Duration: **4 Years**

Bachelor of Technology (BTech) in Computer Science and Engineering is a four-year full-time undergraduate program recognized by All India Council for Technical Education (AICTE) and offered by the Madhav Institute of Technology and Science, Gwalior and affiliated to Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal.

Admission Process

From the year 2013, the State Government of Madhya Pradesh has decided to admit students to Engineering Colleges of Madhya Pradesh through Joint Entrance Exam (JEE Mains) conducted at All India level by CBSE. The date of availability and cost of application form, last date of submission of form, examination form, examination fee, date of examination and other details are announced by the DTE/CBSE in leading Newspapers of the State.

Eligibility Criteria

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject/ Computer Science/ Information Technology/ Informatics Practices/ Agriculture/ Engineering Graphics/ Business Studies. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed Diploma (in Engineering and Technology) examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

MITS Gwalior Highlights

Parameter	Parameter Description
Name of Institute	Madhav Institute of Technology and Science, Gwalior
Short name	MITS Gwalior
Established	1957
Institute Type	Deemed to be University
Ownership	Private

Parameter	Parameter Description
Entrance Exams	• JEE Main • GATE
Accreditations	• NAAC - National Assessment and Accreditation Council • NBA - National Board of Accreditation
Approvals	• UGC - University Grants Commission • AICTE - All India Council for Technical Education • - Council of Architecture
Courses Offered	Courses - 38 Degrees - 7
Gender	Co-ed
Gender Ratio	1:4
Faculty Count	121
Official Website	Madhav Institute of Technology and Science, Gwalior (http://www.mitsgwalior.in/)
Location	Madhav Institute of Technology and Science, Race Course Road, Gole Ka Mandir, Gwalior-474005, Madhya Pradesh, India

Facilities

Madhav Institute of Technology and Science Gwalior or Madhav Institute of Technology and Science Gwalior infrastructure and facilities contribute to the overall development and enhancement of the academic experience of the students. The facilities at the MITS Gwalior consist of a central library, well-furnished and facilitated hostels for male and female students to accommodate at the MITS campus, indoor games and outdoor sports facilities, and a canteen to provide food for the students and staff at the [MITS Gwalior](#) campus.

The Madhav Institute of Technology and Science Gwalior also provides a library that has a huge collection of books, magazines, reference books, and others. Transport facilities, IT infrastructure, internet and Wi-Fi, banking and ATM facilities and more are also provided by MITS Gwalior facilities.

Also see: [MITS Gwalior Placements](#)

Boys Hostel

The Institute has three boys hostels.

Girls Hostel

The Institute has two girls hostels.

Medical/Hospital

MANY FACILITIES AVAILABLE AT MEDICAL DISPENSARY 1. OPD Consultation 2. Dispensing of Medicines 3. Injections, dressings, minor surgical procedures 4. Day Care Facilities 5. Blood Sugar Testing 6. ECG 7. Vaccinations 8. Awareness lectures 9. Nebulizer

Gym

The college has Gym facility for the students.

Library

Central Library currently houses over 1,00,000 books, e-journals from Science Direct, ASME and ASCE under E-Shodh Sindhu & INFLIBNET consortium. The Institute has a high-speed LAN with the backbone of optical fiber and manageable switches. The institute is equipped with 100 MBPS leased line from NKN, which is providing high-speed 24x7 internet facility in each nook and corner of the Institute.

Sports

The institute has cricket, basketball, football and tennis grounds, and badminton court along with facilities for indoor games. The institute has been successively receiving awards and top ranks in many sporting events such as Table-Tennis, Badminton, and Basket-ball at the nodal and state level. Prizes are also won in Kho-Kho, chess and football.

I.T Infrastructure

The Central Computer Center is the crown of MITS Gwalior. It has very high-end facilities. It is admired by the IT people not only from India but from the abroad also. The IIT experts organized a multimedia conference in the Center and admired its functioning. The Institute has a high-speed LAN with the backbone of the optical fiber and manageable switches. The center is equipped with 100 MBPS leased line, which is providing high-speed 24x7 internet facility in each nook and corner of the Institute including academic area, hostels and residential blocks. There are UPS, which are supplying the uninterrupted power supply to the servers, computers, and switches. The LCD projector enhances the presentation and explanation capability.

Cafeteria

The college has a canteen facility for staff and students.

Auditorium

The college has an auditorium facility for events and seminar.

Alumni Associations

The college has a good networking for alumni association.

Wifi

The college has Wi-Fi facility for the students and staff.

Laboratories

The Institute has state-of-the-art infrastructure, well-equipped laboratories. Central workshop, a core unit of Madhav Institute of Technology and Science, Gwalior was established in 1957. The workshop has enough space, sophisticated machines and tools for performing various practical. A basic training in the workshop satisfies the degree requirement for engineering during their first or second semester. Practical classes of B.E. (Mechanical Engineering) and M. Tech. (Production Engineering) are also conducted with the help of trained faculty & staff in various shops. The EDM, ECM, Plasma cutting machines are installed with other conventional machines. Recently the NC, CNC machines installation are in progress. The renovation and up-gradation work has started to meet out the present scenario requirement.

Convenience Store

The Institute has Stationary & Photocopy shop, Amul Parlour, Coffee Shop etc.

Banks/ATMs

The college has the Banks/ATM Facilities for all students.

Guest Room/Waiting Room

The college has guest house/waiting room facilities for visiting faculty and student family members.

General Information

About College:

Madhav Institute of Technology and Science Gwalior was established in the year 1957 by Sir Jiwaji Rao Scindia. MITS Gwalior provides courses in the disciplines of Engineering & Architecture, Management & Business Administration and Computer Application & Information Technology.

The Madhav Institute of Technology and Science Gwalior offers courses at the undergraduate, postgraduate and diploma levels. The [MITS Gwalior courses](#) include [B.Tech](#), B.Arch, [ME/ M.Tech](#), M.Plan, [MBA](#), MCA and [Ph.D](#) degree courses. The B.Tech courses at Madhav Institute of Technology and Science Gwalior are offered in 22 different branches.

For getting admission in MITS Gwalior, the institute accept score of [JEE Mains](#)/ NATA/ [GATE](#)/ CMAT/Ph.D entrance exam. Candidates applying for [MITS Gwalior admissions](#) to B.Tech courses in different specialisations, candidates are required to appear for [MP BE counselling](#) round. The [MITS Gwalior fee structure](#) for the B.Tech is Rs 1,86,000 for the academic year 2025-26.

According to the data provided by the NIRF, about 568 UG 4-year students were placed in the MITS placements drive 2023. MITS campus size is approximately 44.6 acres, and the campus is located in a lush green environment. MITS infrastructure consists of academic & administrative blocks, auditoriums, library, hostels, cafeteria, sports facilities, medical clinic, transport services, computing centre and more on the MITS Gwalior campus. Madhav Institute of Technology and Science is affiliated with [Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal](#) (RGPV Bhopal).
